

New Staff Completion of Preservice Training

IMPORTANT NOTES:

Updating CCLP of staff changes is the responsibility of the program.

New staff are solely responsible for ensuring Ms. Russelle receives the online training certificates within 2 days of completion.

If online course certificates are not submitted on time, it will be assumed that the provider did not complete the required 12 preservice topics.

Failure to complete the 12 preservice topics within 3 months will adversely affect QRIS star level standing.

Effective Date: June 15, 2020
